On this wondrous sea,
Sailing silently,
Knowest thou the shore
Ho! pilot, ho!
Where no breakers roar,
Where the storm is o'er?
In the silent west
Many sails at rest,
Their anchors fast;
Thither I pilot thee, —
Land, ho, Eternity!
Ashore at last!

Emily Dickinson

Foreword

The gay laughter in the halls, the hours of studying, the game that was almost won but not quite, will soon become but hazy pictures in the mind. The girl that meant so much, how will she be remembered? Are all these wonderful times to become lost in the dim reaches of the mind, or will they stay as fresh as the morning, as clear as the mountain air?

In an effort to keep the good times clear, the memories bright, and with the hope that this book will be enjoyed by all who read it, the staff presents to you the

Among the trees and green grass, the old mixes new! The old brick of the main building and the brick of the new buildings blend harmoniously. Here seasoned seniors mix in the halls with the new and be freshmen. Each year the classes change; the new be old, and what was once old is no more.

Through it all, beloved old school, you have standard and a beacon to all who would follow. In people of all races and creeds have walked and talk doors were never shut to any of them. Through the have dedicated yourself to the growth and understand who entered your doors. You have given unselfishly and asked for nothing in return. As we turn back for glance and think about all you have done, we thank though we feel inadequate to tell what we really feel, have to give is small, we dedicate this book to you,

High School

Principal

Principal's Message

Turlock High School has completed 55 years of service to youth. During those years 6,974 diplomas were presented at 54 commencement exercises.

Through the years Turlock High School has endeavored to serve the individual student and the community. We believe the happiness and welfare of the individual is the central goal of our society.

We believe the school is one of man's institutions organized to promote and accomplish the transmission to his children of knowledge, skills, attitudes, ethics and behavior patterns that will enable his children to assume adult roles in society with a minimum of friction, frustrations and unresolvable conflicts.

As we conclude our 55th year, I am confident that a spirit of dedication is strongly evidenced, and the ideals for which we all strive will be well served.

John H. Pitman

Board of Trustees

Students and faculty members of Turlock High School are justly proud of their fine educational program and beautiful school buildings. The Board of Trustees has made our many accomplishments possible.

The ALERT staff, on behalf of the faculty and student body, take this opportunity to acknowledge the time and energy expended by the Trustees on our school--Turlock High.

SECRETARY: Jane Stanley, PRESIDENT: Gordon
Fredeen.

The Executive Council is basically responsible for all the student government at Turlock High School. This year's Student Body Officers--Gordon Fredeen, Miles Jensen, Jane Stanley, Nadine Kane, Jan Burman, and Joanne Jorritsma--have done a fine job of leading this organization. The members worked hard to make this a fine year for all, and the Clean-Up Campaign this year was basically their work. The Executive Council deserves the thanks of all the Student Body for the fine work they have done this year.

Club Council

TOP ROW: Bob Moen, Sharon Tamimi, Wes Dehn, Miles Jensen, John Birchall, Larry Bishop, Ron Wing, Jerold Hunt. MIDDLE ROW: Edwina Teves, Joy Larson, ClarLyn Nelson, Sharon Espinola, Carol Hampton, Linda Walls, Donna Willhite, Terry Olsson. BOTTOM ROW: Jeanne Ruble, Nadine Kane, Virginia Klynstra, Sydney Noda, Sherrie Cummings, Ann Nelson, Wanda Bruce, Janet Clipper.

SECRETARY: Carol Hampton, PRESIDENT: Miles Jensen.

The Club Council, a representative group of each school organization, has done a fine job this year. Under the able leadership of Miles Jensen, aided by Secretary Carol Hampton, the group has resolved problems well, and has shown a wealth of fine leadership. The group has, among other things, helped this to be the best year as far as school spirit is concerned, and has helped to plan and organize many school activities. "Well done" is the reply of all to the members of the Club Council.

Boys' Federation

Boys' Federation, a group composed of all the boys in the school, does much to aid the students. It helps to make the Freshmen feel more at home in this strange place by co-sponsoring the Freshmen Coke Party. It also helps any other club if help is needed, and aids in many school activities. The Boys' Federation is certainly a necessary part of Turlock High.

Girls' League

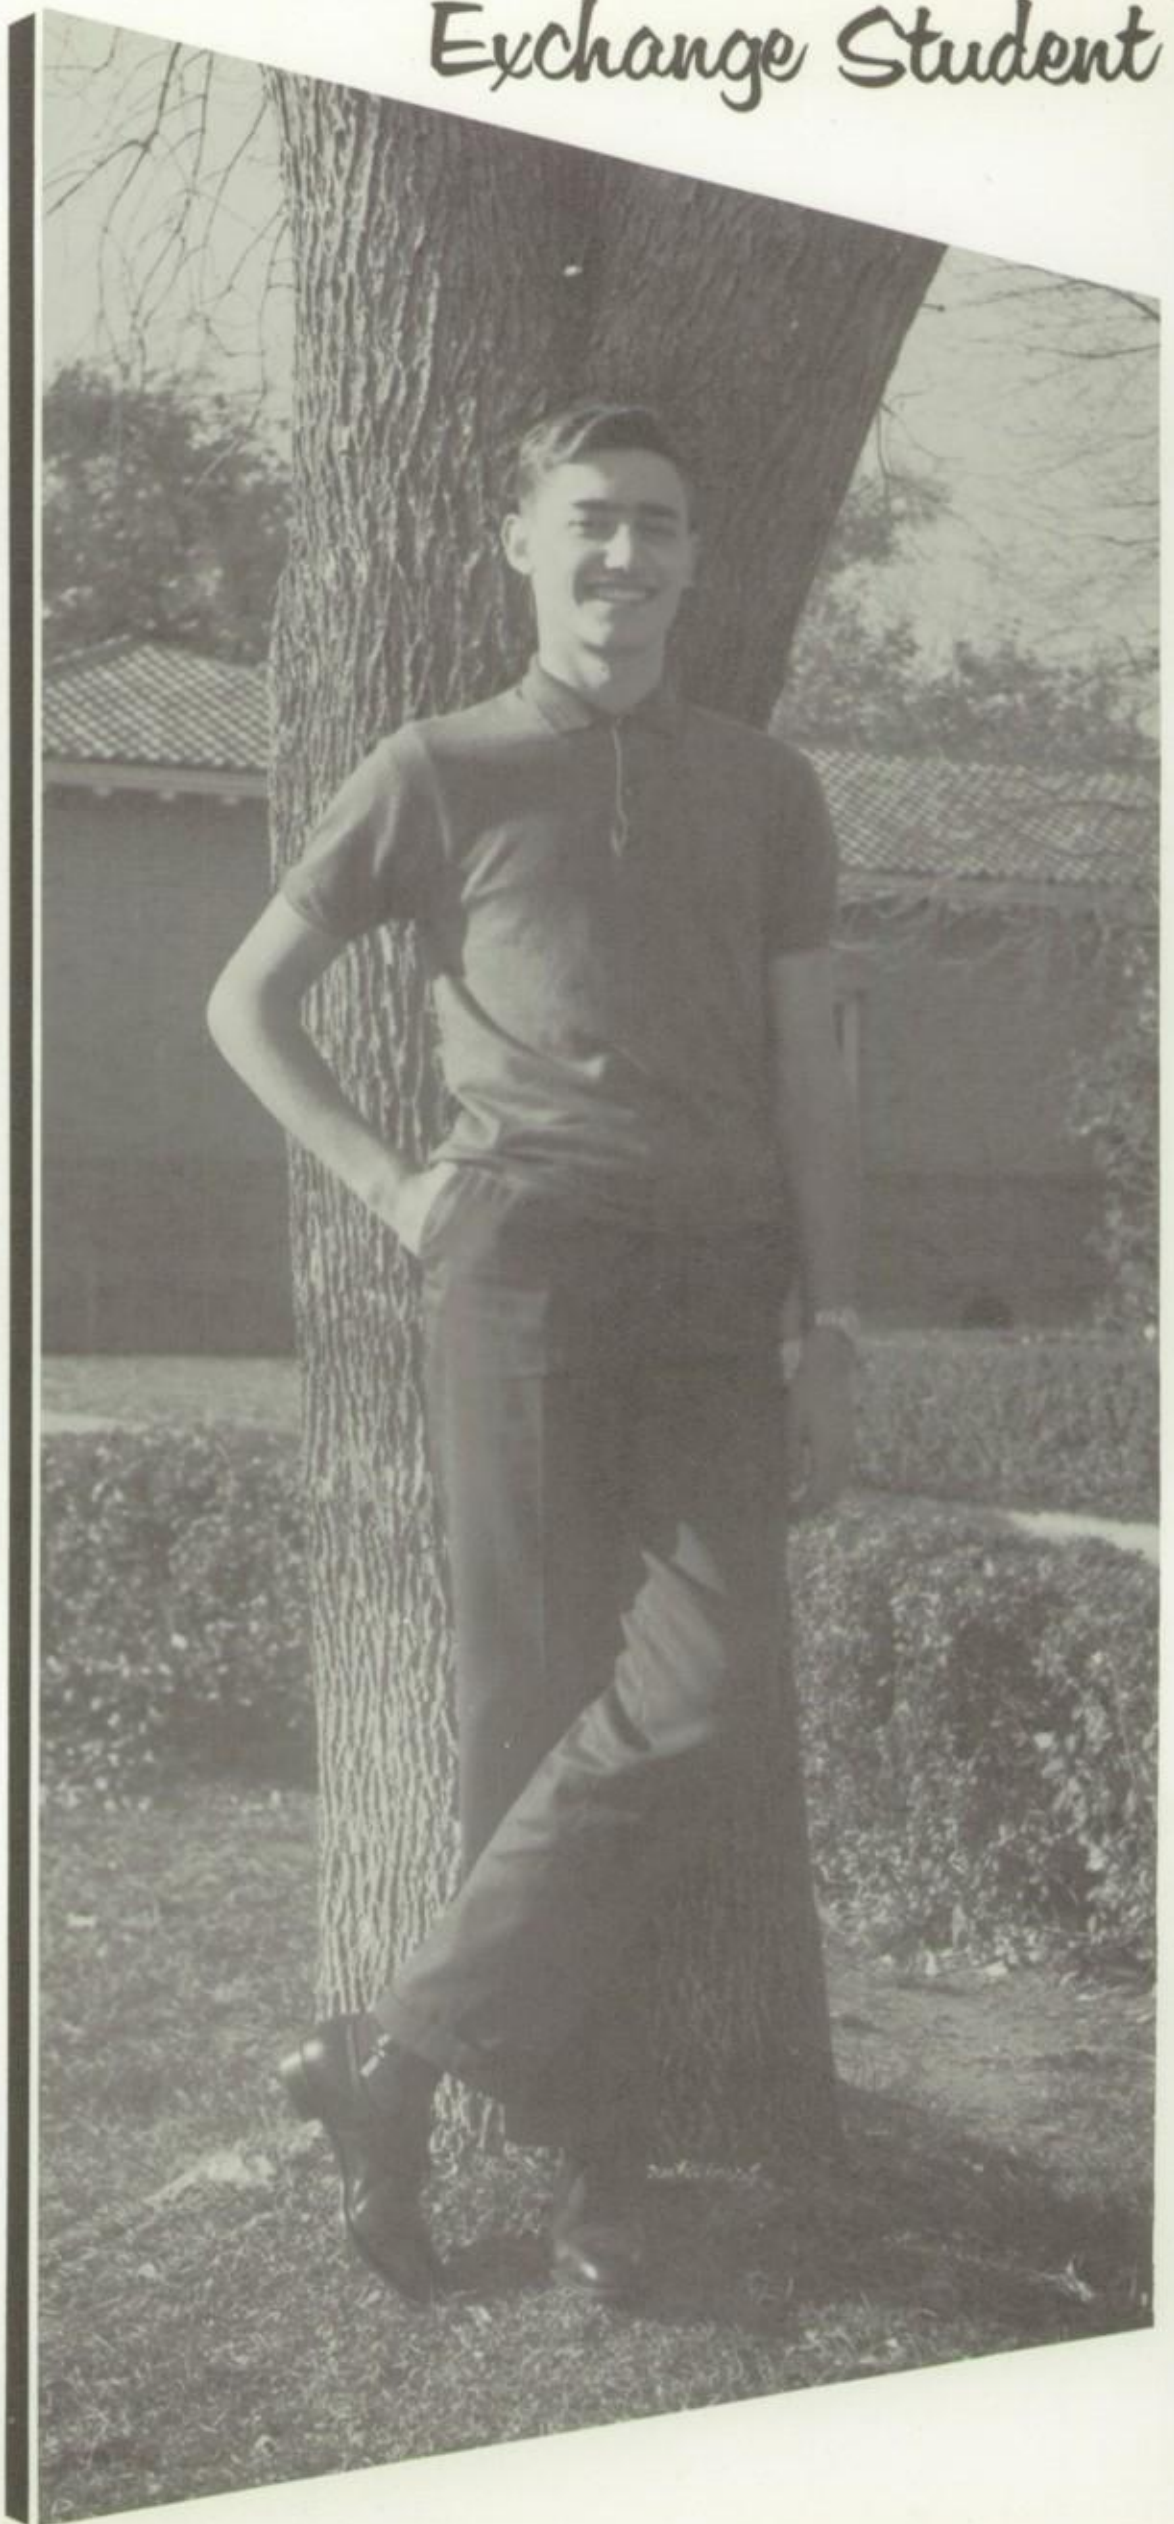

The Girls' League has done an especially fine job this year. Many new ideas were presented to the girls of the school through this organization, such as the Christmas Can Drive. The Leaders of this school wide group have every reason to be proud of themselves, and the girls of the school should be proud of them also.

Exchange Student

"I am from Argentina. My city, San Juan, near the Andes, is bigger than Turlock. My family is one of the older families in the city, and is very large. I have more than one hundred close relatives. My father owns a spaghetti factory and vineyards. My mother is a housewife. My brother is in his second year at the University of Cordoba. He is studying medicine. My sister will be in the second year of high school next year. When I go back to Argentina, I have to finish my last year of high school and begin at the University of San Juan. I plan to study architecture. Now I am in one of the biggest countries in the world. This is my first experience in living away from my family and friends for any length of time. Turlock for me is a pleasant little city, and I am happy to live with another family besides my own family."

Providing music for the football games, rallies, and a Pep Band to play at basketball games was just a small part of the busy schedule of the band under the direction of Mr. John Wing. They worked hard planning and practicing for their part of the Christmas program, and for the Spring Concert later in the year. In the alternate periods of the year they played at Stanford, All County Band, and they provided soloists for local entertainment. In all their performances the band has shown fine enthusiasm and playing ability and all the students at T.H.S. are very proud of their work, that they have done this year.

WESTERN DAYS

The Third Annual Rally Parade was held this year, and as a result of Joanne Jorritsma's leadership, was a real success. The Turlock High Band, the Football Queen, and the floats sponsored by the various clubs on campus made a really great parade and grand fun for everyone.

A collage of black and white photographs from a school yearbook, depicting various school activities. The photos include students performing on stage, playing instruments like the piano and drums, singing in a choir, and participating in a pep assembly. One photo shows a student playing a piano, another shows a student playing a drum, and several photos show groups of students in uniform or costumes. A sign in one photo reads "Pop Band".

This is a large, dense collage of black and white photographs, likely from a 1950s high school yearbook. The photos are arranged in a non-linear, overlapping fashion, creating a sense of a busy, active school year. The images depict a wide variety of student activities and events:

- Top Left:** A group of girls in short, patterned dresses are posing together. Below them, a girl in a light-colored, possibly white, dress is walking.
- Top Center:** A girl in a patterned dress is sitting on a bench or stage, looking towards the camera.
- Top Right:** A large, prominent photo shows three girls in white, strapless, full-length dresses posing together. To their right, a girl in a dark dress is standing, and further right, a person in a white mask is visible.
- Middle Left:** A boy in a white t-shirt and jeans is standing. Below him, a girl is sitting in a folding chair. To the right, a boy in a plaid shirt is sitting on the floor.
- Middle Center:** A boy in a striped shirt is leaning over a girl in a striped dress. To their right, a girl in a dark dress is standing.
- Middle Right:** A girl in a dark dress is standing. To her right, a boy in a white t-shirt is standing. Further right, a girl in a dark dress is sitting.
- Bottom Left:** A group of girls in dark dresses are standing together. Below them, a boy in a white t-shirt is standing. To the right, a girl in a dark dress is sitting.
- Bottom Center:** A boy in a white t-shirt is standing. To his right, a girl in a dark dress is standing. Further right, a boy in a plaid shirt is sitting.
- Bottom Right:** A boy in a white t-shirt is standing. To his right, a girl in a dark dress is standing. Further right, a boy in a plaid shirt is sitting.

The collage captures a variety of moments, from formal group portraits to candid shots of students at social events, providing a comprehensive visual record of the school year.

The Varsity team had a very even season this year, winning four games and losing four. The coaching staff--Les Ratzlaff, Don Goldstein, and Ed Jalli--did a fine job in developing a fine team. Dick Kirby and Gordon Fredeen, as captains of the year, showed a great deal of leadership, and a lot of playing ability. The Student Body has every right to be proud of these boys, and of all the other boys who played their best this season. The team may not have brought home a championship this year, but to everyone, each boy on the team is a champion in his own right. Congratulations, Varsity team.

This year's Bullpups did a fine job for Turlock High. The boys, led by coaches Vern Pitau and Ezio Pedretti, sparked the Varsity to unexpected victories, by their fine playing. The B's won 5 games and lost 3, but each and every game was a big game. The Bullpups deserve a lot of praise from the students for their playing and their sportsmanship.

At the beginning of the 1960-1961 season, Turlock was considered to be one of the also-ran teams of the conference. Coming, in a big leap, above all expectations the Turlock Team won the Modesto Tournament. The boys played fine ball all season to wind up in third place for the conference. With an overall record of six wins and six losses, the boys had a fine season. A particularly exciting game was with the conference champions, Edison. The boys played a great game and came very close to winning. This was an unusual season because there was such a difference in the teams. Turlock's team has much to be proud of, though, and the school is very proud of it and the coach, Vern Pitau.

This year's B team had a good season with Coach Don Odishoo at the helm. Many of the boys who played last season returned this year and they came through in fine form. Finishing the season with seven wins and five losses in league play, the B's played some very exciting games this season. When the team beat Modesto in its final game after losing to them earlier, it showed the spirit that the team had all season long.

JUNIOR VARSITY

LEFT TO RIGHT: J. Tillner, J. Fetherston, D. Duffy, S. Maggard, R. Shimon, B. Lindquist, A. Gonzales.

The Junior Varsity got off to a slow start this year, but later they defeated some important teams. Denair's Varsity was defeated by our J.V.'s by a score of 27 to 20. The Junior Varsity also managed to defeat Modesto 18 to 17. These boys did well this year and will be a fine Varsity in the future.

The Freshman team had done very well this year. Coach Summers has done a fine job with the boys. The team lost a very close game to Ceres by a score of 32 to 33. The boys got their revenge, however, when they played Ceres again and defeated them 33 to 27. They really did a fine job and they will make a fine B team in the future.

"B" Track

The "B" track team this year has shown much potential. The sprint, pole vault, and high jump show the most promise for high excitement. This team has won all its meets so far and can look forward to a fine season.

Stan Marchant in the sprints, Howard Erickson in the 440 yard run, and John Reed in the pole vault are the outstanding individuals thus far in this young season. We are sure their efforts and performances will improve during the year.

The "C" track team is very strong this year. Although they have lost one meet, they show the strength in many fields. The team should do well this season and should show that little fellows have stamina. Pete Lindbeck and John Raya have been consistent winners in the sprints and distance, respectively. With boys like these, the team should do very well.

For the fourth year in a row the Turlock High School wrestling team won the Sac-Joaquin Section Champions as well as an undefeated record in league meets this season. John Easley and Fred Bigler deserve special consideration this year after four years on the team. Fred finished the season as an undefeated wrestler but because of an injury was unable to participate in the Northern California Invitational Tournament. Turlock High finished sixth in this tournament out of 61 schools participating, but they felt the loss of Fred Bigler. The senior boys who are leaving this year after four years of Championships are, in addition to Fred Bigler and John Easley, Dick Wilkey, Lee Hatch, Steve Vierra, Conrad Miranda, Dick Kirby, John Reed, Richard Pole, Clarence Smalley, Mike Bonander. These boys have set an excellent record for future wrestlers to maintain. They will be missed next year. Congratulations to the Wrestling team, for a job well done.

The tennis team is a green team this year and will need a lot of work. They have lost all their matches so far this year but the team works hard and plays hard. Next year's tennis team should be a better team because of this year's work. A lot of credit is to be given to these boys for their good work.

The golf team is composed of five men this year. They have played three matches so far this season and they have lost all of them. The coach feels that the team can have a good season if they become stronger. Golf has become more popular in the past few years and it will be a sport to watch in the future. It should attract a lot of attention in the next few years if not this year. The golf matches are held at the Turlock Country Club, the same place that the boys get to practice everyday. Led by Pat McCorkle, consistently shooting in the low 70's, the boys should come up with a good record.

Organized in 1909, the G.A.A. is one of the oldest clubs in the school. The girls who belong to this club are sports enthusiasts. The Seniors are always dashing around the gym, sometimes to play a tournament game, and other times to referee a noon game for the Freshmen. Not to be outdone, the Sophomore and Junior girls join the Senior girls on the playing fields of Turlock High. They provide real competition for each other in every game. When the whistle blows, these girls are ready for the most exacting games! They honor the good name of G.A.A. In addition to the other activities the G.A.A. has playdays which are loads of fun for everyone. Each year a dance is sponsored by the G.A.A. and it always proves to be interesting and unusual.

Miss Estha Rodkey

Mrs. Blanche Morell

Mrs. Fannie Niland

There is no person at Turlock High School,
Be he teacher or student,
Who will not feel the loss of these
Who have invested so great a part of their lives
In Our School.

They have helped
The eager young minds that sought truth...
And found it
The lonely crowd who yearned for life...
And found it
The children who came to acquire Maturity and Judgment...
And found them
Those who cried out to know the Self...
And found it.

You have made yourselves a part of Turlock High School.
Anywhere you go, there will be a large part of T.H.S. with you...
Calling you back
And no matter where you are a small part of you will remain in these loved halls.
To welcome you home.
